

*GUIDEBOOK*  
2012/2013 SEASON

## INTRODUCTION

The Fairleigh Dickinson Crew Club has been newly established during the 2009/2010 academic year. It brought rowing as a collegiate sport not only to Overpeck Lake, but to Northern New Jersey. This was made possible through the vision and hard work of the first FDU Crew Club Executive Committee with *Sara Elmiligi* (President), *Jessica Taufik* (Vice President), *Erin Quinn* (Treasurer), *Elaine Sedhom* (Secretary), *Anthony Mell* (Recruitment / Development Chair), and *Devin Seelman* (Public Relations / Alumni Chair), under the guidance of FDU's Athletic Director, *David Langford*, and with the assistance of the crew team's first coach, *Clemens Reinke*. The FDU Crew Club is a fully insured member of the United States Rowing Association ([www.USRowing.org](http://www.USRowing.org)).

According to Wikipedia<sup>1</sup>, "Rowing is the oldest intercollegiate sport in the United States. Despite this, rowers comprise only 2.2% of total college athletes. This may be in part because of the status of rowing as an amateur sport and because not all universities have access to suitable bodies of water. In the 2002-03 school year there were 1,712 male and 6,690 female collegiate rowers. This is compared to the 2,037 male and 2,049 female high school rowers who competed in the 2003-04 school year." Although some high schools have had crew teams for many years, the list of high school crew programs is growing every year. Consequently, there is a growing interest in rowing on the collegiate level. The FDU Crew Club hopes to grow with this rising interest.

Rowers who have been involved in crew teams have found that rowing is a character building experience, both mentally and physically, which will benefit the participant throughout his or her whole life. Many athletes love it so much, they don't want it to end after graduation, and will continue this sport long after they leave FDU. Rowers develop a love for the water, the outdoors and the intense camaraderie, which consumes them during crew season.

The attached information should be helpful in answering most questions you may have, but please feel free to ask Coach Clemens Reinke ([CrewCoachClemens@mac.com](mailto:CrewCoachClemens@mac.com)). A lot of information is also posted on Coach Clemens' website at [www.CrewCoachClemens.com/FDU-Crew.html](http://www.CrewCoachClemens.com/FDU-Crew.html).

So, for those of you who are joining crew, we look forward to introducing you to the world of rowing. Be prepared for an intense and exciting 2012/13 crew season, FDU's fourth!

## FAIRLEIGH DICKINSON UNIVERSITY CREW CLUB

Rowing is a very cost intensive sport due to the need to buy and maintain very expensive equipment. We are grateful to the Athletic Director, David Langford, and to the FDU Athletic Department for purchasing the first boat for the team, a used Vespoli Four with Coxswain. We are also thankful to the Belleville High School Rowing Team for donating one set of four sweep oars to the FDU Crew Club. Without these upfront gifts it would not be possible to begin rowing this season.

We are further grateful for the alliance with Teaneck Rowing Club, and the Teaneck High School Crew Team, as it is with their leadership that we are able to soon place a new dock into the water at the edge of the FDU Soccer Field. Teaneck Rowing Club will share their coaching equipment such as motor launches, safety equipment, and their boat trailer with the FDU Crew Team. All of this assistance makes it possible for this new team to have a good start.

For the future we are hoping that friends and alumni will support the team as it grows. New boats and equipment will be crucial for the growth of the team. Any financial support will be greatly appreciated.

In order to put this new Crew Team on a solid foundation there is an Executive Board for the FDU Crew Club consisting of the following persons:

**President** — to be newly elected in the Fall 2012

**Vice President** — to be newly elected in the Fall 2012

**Secretary** — to be newly elected in the Fall 2012

**Treasurer** — Erin Quinn, FDU '13

**Recruitment/Development Chair** — Anthony Mell, '13

**Public Relations / Alumni Chair** — Devin Seelman, '13

## GUIDELINES

Joining the Fairleigh Dickinson University Rowing Team means that you will be representing your school when we are in public on the Hackensack River, on the Fairleigh Dickinson University property, any regatta venue, or on overnight trips. All crew team members should respect and follow these guidelines.

1. To conduct yourself appropriately at all athletic events.
2. To offer encouragement and support to your teammates and to place the team before yourself.
3. To maintain on file with your coach a current health record and consent form for medical emergencies as provided by the club.
4. To refrain from drug use, including but not limited to alcohol and tobacco, in order to be physically and mentally prepared to participate in athletics. Use of alcohol or illegal drugs can result in suspension or dismissal from the FDU Rowing Team.
5. To attend all practice sessions and regattas on time and be ready to participate.
6. To watch the athletic contest even when not on the water and/or be involved in warm-up in preparation for entering the event.
7. To be in school on the day of practice.
8. To inform the coach, in advance, if you are unable to be present for a regatta or practice session.
9. To warm up properly for all practices and athletic contests. It is the rower's responsibility to bring a water bottle and appropriate clothing for all practices and races.
10. To assist with equipment set-up and take-down for practice and regattas.
11. To wear an approved team uniform for all regattas.
12. To refrain from the use of inappropriate language during practices, regattas, or other club-related events.

CODE OF CONDUCT CONTRACT FOR PRACTICES & REGATTAS

**When with the team, I agree to all of the following:**

I understand that the following infractions will result in a team member being scratched from the upcoming race and/or sent home at their own expense in addition to any action a Coach or FDU representative may take:

- a. Use or possession of alcoholic beverages, cigarettes, tobacco or controlled substances
- b. Use or possession of any object that can inflict harm or damage to property or people.
- c. Damage to property
- d. Stealing or shoplifting
- e. Loud and unruly behavior including fighting or instigating a fight
- f. Disrespectful behavior or failure to obey chaperones, coaches, or bus drivers
- g. Behavior that has a detrimental impact on the performance of the team.
- h. Leaving the regatta hotel or area un-chaperoned without the prior approval of the chaperone.
- i. Any display of inappropriate sexual behavior.

I will support my teammates throughout competitions by sending boats off, cheering for other Teaneck boats at race time, and assisting other boats in rigging and de-rigging shells.

I will stay with my boat or team during race times.

A coach or chaperone will make room assignments when I arrive at the hotel. I will stay in the room assigned to me.

I will not make any phone calls or rent any movies, etc. that will be charged to my room.

I understand this code of conduct and will abide by its rules and expectations.

## ATTENDANCE POLICY

Fairleigh Dickinson University not only strives to offer students a college diploma, it is, more importantly, a life preparatory experience. The extra-curricular activities at FDU are designed to enhance the growth and experience of life at FDU and beyond. Responsibility, discipline, commitment, work ethic, time management, self-esteem, and teamwork are part of FDU's extra-curricular activities.

Practice is where we prepare to compete. Practice is more important than the competition. You are expected to attend every scheduled practice or competition, arrive on time, and be prepared to participate fully.

If you are in school, you must be at practice.

If you cannot attend practice or a competition, you are expected to call and talk to the coach.

Every crew member is expected to remain at the competition until the competition is finished, even if your own event is over (team responsibility).

Too many missed practices/competitions will determine whether you compete and may lead to suspension or expulsion from the crew program.

A good Rule of Thumb: Treat extra-curricular activities as you would a job. If you are scheduled to work, what would be the consequences for your absence?
